REPORT OF THE TRUSTEES OF INGALLS MEMORIAL LIBRARY

The Ingalls Memorial Library has served more townspeople and given better service during 1960 than ever before. As you can see in the Librarian's report the adult circulation is almost as great as the juvenile. We suggest you visit the library some Tuesday evening and see how busy it is.

Mr. and Mrs. George Wallace of Fitchburg, Mass., gave the sum of $500 to the library — designated specifically for the purchase of books. For their generous gift we are deeply grateful. It has made it possible to add some much needed reference books and increase our book circulation.

A new resident, Mr. R. B. LaRue, has been a most generous friend to the library. He has donated an outstanding collection of beautifully bound classics, as well as many other fine books and he has also given money with which a set of books about South America was purchased.

We appreciate the splendid cooperation from Mrs. Gray in fulfilling her duties as librarian and realize how fortunate the Town is in having her as our librarian. We thank Mr. Crowell for his care of the building, and we appreciate the kindness shown by many people in contributing books and periodicals to the library.

The year of 1960 was one of progress at the Ingalls Memorial Library. Not only did the circulation increase in both adult and juvenile departments, but of more importance is the fact that the facilities are being used. Students use the library as a place to study since a good reference section is provided. Adults too are finding many sources of interest available.

Through the generosity of family and friends of the late Mr. Harry E. Sherwin, the Children's Room was completely renovated. A bronze plaque in his memory will be placed there and the room will now be known as the Sherwin Room. Much of the work of redecorating and remodeling was done by friends of the library. To the following we extend our thanks for their help: Messrs. Arthur St. Peter, Russell White, John Rice, Franklin Finley, Raymond Ford, Leo MacInnis, Ralph Pangborn and Willard Gray. The room has not only been greatly improved in appearance, but also in the efficiency with which large groups of children may be served.

Some very fine books were added to our Memorial Collection during the year. These books seem a lasting and fitting memorial to friends and relatives who have now left us. In this collection are outstanding books in memory of Mr. and Mrs. Karl Brummer, Mrs. John Crosby, Mrs. Ralph Hoyt, Sr., Mr. Fred Kowalewsky,

Mrs. Leo MacInnis, Mrs. John Mead, Mrs. Mable W. Robbins, Mr. Harris H. Rice, Mr. and Mrs. Harry Sherwin, Mr. and Mrs. Richard R. Smith, Mr. George Todd, Mrs. Eliza Woodward, Miss Ina Woodward. As a tribute to Mrs. Leo MacInnis, Mrs. Marshall Danforth designed a most appropriate book plate for these books.

Girl Scouts working for achievement badges came to the library where they received instruction in some of the basic processes such as cataloguing, accession of books and filing. They proved to be of considerable assistance in the work of the library.

In April, Mrs. Marshall Danforth exhibited an attractive collection of her paintings. As usual this was enjoyed by many.

Once again we extend our thanks to the following friends who have generously donated books, money, magazines and pictures: Professor Douglas Adams, Representative Frank Allen, Mrs. Arthur Allen, Mrs. William Allen, Mrs. Edward Brummer, Mrs. John Crosby, Mrs. Walter Cleaves, Mr. and Mrs. Raymond Ford, Mrs. Paul Inferrera, Mrs. Winters Kendell, Mr. R. B. La Rue, Miss Alice Morgan, Mr. John Mead, Mr. Aubrey Nicholson, Miss Charlotte O'Brien, Mrs. Ralph Pangborn, Mrs. Perry Thrasher, Mrs. Everard Upjohn, Mrs. Ralph Ward, WCTU, Mrs. Robert Whitney, and Mr. and Mrs. George Wallace.

Donors to the juvenile department were Glenn Davis, Kenneth French, Ronald Hoyt, Annette Peabody, and Terry O'Connor.

To the trustees I wish to extend my warmest thanks for their cooperation at all times in the projects of the library. Also my thanks go to Mrs. Marshall Danforth for her assistance and to Mr. Herbert Crowell for his helpfulness.

Respectfully submitted,
CARRIE S. GRAY
Librarian

Picchi, Fosco J.	Art Supervisor	B.F.A., '59, Mass. College of Art; M.F.A., '60, Cranbrook Academy	0	288.00

There were two changes in the teaching staff this year. Mrs. Evelyn Sands replaced Mrs. Helen Jaques as teacher of Grades four and five. Mr. Fosco J. Picchi replaced Mr. Ormsby J. Buck as Art Supervisor.

B. SCHOOL PROGRAM

The past year has been a busy, interesting, and satisfying year for the staff, and we believe a profitable one for our pupils. The investigation and evaluation of our reading system which was conducted last year by the teachers and supervisors has resulted in the adoption of a supplemental program to reinforce our reading program.

This supplemental program, the Unified Phonics Method, is a method for teaching the basic techniques of the language arts — accurate speaking, spelling, writing, and reading — as one integrated subject. The pupils are taught how to write down the sounds used in speech as they are combined into words. Conversely they can pronounce any phonetic word.

This program, as used in our school, is still in the developmental stage and many modifications and revisions will undoubtedly be made. However, the staff believes that we have taken a big step in the direction of an improved reading program.

The pupils of grades five and six were again given the opportunity to participate in the annual workshop at Sargent Camp. The content areas covered this year were forestry, weather, animal study, abandoned farm study, maps, compass, pacing and judging, glaciation, and plant identification.

Many activities are conducted during the school year to help develop the pupils into well-rounded individuals. Some of these activities are the Memorial Day exercises, Christmas Program, Boy's Basketball, and the Savings Stamp Program. This year, for the first time, Mrs. Whitney is conducting a cooking class for the girls of grade six. This class meets after school one afternoon each week.

Additional money has been made available through the National Defense Education Act. The money this year is being used to purchase additional science equipment and to obtain visual and manipulative instructional devices for the teaching of arithmetic.

Other equipment purchased includes a new duplicating machine and a portable bookcase. The fact that the bookcase is portable allows the staff to make more advantageous use of the resource books which we have available to the pupils.

A new swing set and see-saw were added to our playground equipment last summer, and all of the playground equipment centered directly to the rear of the school. This new arrangement not only consolidates the playground but also improves supervision. Also purchased and installed was a new metal backstop for the baseball field. The new additions add much to the effective use and enjoyment of recess periods.

C. REGULATIONS

Many factors influence the effectiveness of a school's program of instruction. The administration believes, and research indicates, that one factor inherent in pupil success is the manner of dress expected by the school. Not only does a high standard of dress improve pupil success but it also helps to minimize behavior problems. Because of this belief, the administration feels it advisable to initiate regulations concerning acceptable dress for the pupils of Rindge Memorial School. Beginning with the opening of school

in September, 1961, the following dress will be expected of all pupils concerned:

1. All girls will be expected to wear dresses or skirts with blouses or sweaters while in their classrooms attending classes. Slacks may be worn to and from school, if in the opinion of the parents the weather demands it.

2. All boys will be expected to wear shirts having collars. Athletic shirts of any type will not be considered appropriate attire.

The custodian, Howard Burt, completed the annual summer maintenance. Two improvements in the school plant which were carried out by Mr. Burt were the installation of new chalkboards on the rear wall of each classroom and the construction and installation of two window screens in each classroom.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

The general health of Rindge pupils has been good except for usual colds and stomach upsets. Six pupils were taken home by the nurse because of illness. Parents have been very cooperative in not sending their children to school sick, and in the cases where they have become ill in school, the parents have cooperated in getting them home.

Dr. Sterling continued his duties as school physician. This year he examined pupils in the odd-numbered grades. He initiated immunization clinics and in general supervised all phases of school health work.

The school nurse conducted the vision and hearing tests and maintained a constant check for correctable conditions. Followup of vision and hearing defects, as well as dental corrections, show increasingly good results.

A Dental Clinic, supported by a special fund appropriated at the annual school meeting, was conducted with a limited budget. Such a program is of assistance to pupils who would find it difficult or impossible to receive dental corrections in any other manner. The appropriation paid for seven half days of work with 40 appointments. Eighteen pupils were treated, with 10 receiving complete work. This included 40 fillings, 41 extractions, 29 X-rays, and 1 scaling.

The pupils were transported to the office of Dr. Raymond Moore in Jaffrey by the school nurse. The order of preference was established in conference with the teachers, beginning with pupils in the lower grades and working up. Unfortunately there were pupils remaining on the waiting list after our funds were depleted.

Dr. Sterling recommended a follow-up of the Salk Polio Vaccination clinics and urged everyone from 6 months to 40 years of age to be protected. There were 49 shots given. It is now expected that annual Salk Polio clinics for this purpose will be offered each May.

In June a day was set aside for the annual pre-school registration and examination. Fourteen pupils were registered for entrance into the first grade in September. An opportunity was provided for pupils and parents to become familiar with the school and the teachers, as well as obtaining data about regulations, facilities, school calendar, and administrative personnel. This program results in less fear and confusion in September for these small pupils. It also enables school administrators to make definite plans in advance for classroom and school bus needs.

Upon this occasion, health histories were completed, birth certificates checked, record systems set up, while children were screened for vision and hearing, or for any physical difficulties which might interfere with school achievement. This gives time for any necessary summer corrections and for vaccination.

Approved meetings and conferences of professional groups were attended by the nurse. These took eight day's time, mostly on Saturdays or during vacation periods, and were generally held in Concord or Manchester.

ROLAND C. GODDARD
Town Clerk

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,
CORNELIUS WOOD
District Chief

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.
5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.
